

Preamble for Civic Education

The Examinations Council of Zambia has made adjustments to the assessment of Civic Education at Grade 12 level so as to be in line with the revised Civic Education Senior Secondary School Syllabus of 2013 developed by Curriculum Development Centre (CDC) of the Ministry of General Education.

Purpose

The purpose of examining senior secondary school Civic Education is to measure the candidates' understanding of political, socio-economic, cultural and technological aspects that are key to Zambia's democratic system of governance.

The examination is also used for certification and placement.

Assessment Objectives

The grade 12 Civic Education Examination tests candidates' performance against the following objectives:

Knowledge with Understanding

1. Understand Zambia's political, socio-economic and technological processes and appreciation of good governance.
2. Recognise the duties, responsibilities, freedoms and rights of a citizen.
3. Appreciate Zambia's traditions, values and belief systems.

Information Handling and Application

1. Read and interpret graphs, tables, diagrams, maps and statistical data.
2. Use this knowledge and identify implications for and solutions to Zambia's economic and social development.
3. Participate in matters of national development.

Analysis and Evaluation of learnt materials

1. Adhere to fiscal discipline and financial expenditure and design a plan for family sustainability.
2. Predict conflict and create solutions to challenges in everyday life.
3. Evaluate the findings of action projects.

3 Test Design

The Grade 12 Civic Education Examination will consist of two Papers, Civic Education 2030/1 and Civic Education 2030/2.
